

CITATION REPORT

List of articles citing

Diet and risk of basal cell carcinoma of the skin in a prospective cohort of women

DOI: 10.1016/1047-2797(92)90055-u
Annals of Epidemiology, 1992, 2, 231-9.

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
