

CITATION REPORT

List of articles citing

**Synchronous mature teratomas of the ovary and liver:
a case presenting 11 years following chemotherapy for
immature teratoma**

**DOI: 10.1016/0090-8258(92)90145-9
Gynecologic Oncology, 1992, 47, 385-90.**

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
