

Automated recognition of valley lines and drainage network models: a review and a new method

Journal of Hydrology

139, 263-293

DOI: [10.1016/0022-1694\(92\)90206-b](https://doi.org/10.1016/0022-1694(92)90206-b)
