

# CITATION REPORT

List of articles citing

**Anal endosonography for recurrent anal fistulas: image enhancement with hydrogen peroxide**

**DOI: 10.1007/bf02052266**

**Diseases of the Colon and Rectum, 1993, 36, 1158-60.**

**Source:** <https://exaly.com/paper-pdf/23952702/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
134	Hydrogen peroxide injury to the colon. <b>1995</b> , 40, 1290-1		5
