

CITATION REPORT

List of articles citing

A double-blind comparative study of hydroxychloroquine and dapsone, alone and in combination, in rheumatoid arthritis

DOI: 10.3109/03009749309099254

Scandinavian Journal of Rheumatology, 1993, 22, 113-8.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
