

Heterogeneity in glucose sensitivity among pancreatic β cells: differences in glucose phosphorylation rather than glucose transport

EMBO Journal

12, 2873-2879

DOI: [10.1002/j.1460-2075.1993.tb05949.x](https://doi.org/10.1002/j.1460-2075.1993.tb05949.x)
