

CITATION REPORT

List of articles citing

Comparison of spatial firing characteristics of units in dorsal and ventral hippocampus of the rat

DOI: 10.1523/jneurosci.14-12-07347.1994

Journal of Neuroscience, 1994, 14, 7347-56.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
