

CITATION REPORT

List of articles citing

Ambulatory blood pressure and blood pressure measured at home: progress report on a population study

DOI: 10.1097/00005344-199423005-00003
Journal of Cardiovascular Pharmacology, 1994, 23
Suppl 5, S5-11.

Version: 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
