

CITATION REPORT

List of articles citing

**Head-direction cells in the rat posterior cortex. I.
Anatomical distribution and behavioral modulation**

DOI: 10.1007/bf00243212

Experimental Brain Research, 1994, 101, 8-23.

Source: <https://exaly.com/paper-pdf/24994902/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
