

CITATION REPORT

List of articles citing

Single daily dose of methimazole compared to every 8 hours propylthiouracil in the treatment of hyperthyroidism

DOI: 10.1097/00007611-199509000-00018
Southern Medical Journal, 1995, 88, 973-6.

Source: <https://exaly.com/paper-pdf/25768846/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
