## CITATION REPORT List of articles citing

Cerebral arterial aneurysm formation and rupture in 20,767 elderly patients: hypertension and other risk factors

DOI: 10.3171/jns.1995.83.5.0812 Journal of Neurosurgery, 1995, 83, 812-9.

Source: https://exaly.com/paper-pdf/26388141/citation-report.pdf

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
