

# CITATION REPORT

List of articles citing

Randomized trial of lobectomy versus limited resection for T1 NO non-small cell lung cancer. Lung Cancer Study Group

DOI: 10.1016/0003-4975(95)00537-u

Annals of Thoracic Surgery, 1995, 60, 615-22; discussion 622-3

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
