

CITATION REPORT

List of articles citing

Risk of catheter-related emboli in patients with atherosclerotic debris in the thoracic aorta

DOI: 10.1016/s0002-8703(96)90090-3
American Heart Journal, 1996, 131, 1149-55.

Source: <https://exaly.com/paper-pdf/26749592/citation-report.pdf>

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
