

CITATION REPORT

List of articles citing

Effects of Selenium Supplementation for Cancer Prevention in Patients With Carcinoma of the Skin

DOI: 10.1001/jama.1996.03540240035027

JAMA - Journal of the American Medical Association, 1996, 276, 1957.

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
