

CITATION REPORT

List of articles citing

Reduction of adhesions after uterine myomectomy by Seprafilm* membrane (HAL-F): a blinded, prospective, randomized, multicenter clinical study +? *Seprafilm, Genzyme Corporation, Cambridge, Massachusetts.+Sponsored by Genzyme Corporation, Cambridge, Massachusetts.?Presented in part at the Fourth Congress of the Society for Gynecological Endoscopy, Brussels, Belgium, December 6 to 9, 1995.

DOI: 10.1016/s0015-0282(16)58716-0
Fertility and Sterility, 1996, 66, 904-910.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
