

CITATION REPORT

List of articles citing

A progesterone-dependent immunomodulatory protein alters the Th1/Th2 balance

DOI: 10.1016/0165-0378(96)00964-3

Journal of Reproductive Immunology, 1996, 31, 81-95.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

202 Lipid metabolism: relevance to developmental origins of health and disease. 159-177

201 Reproductive Immunology In Update. **2006**, 33, 474-485

1

200 Aspects immunologiques de la gestation. **2006**, 1, 1-13

199 Effects of a preovulatory administered depot gonadotrophin-releasing hormone agonist on reproductive hormone levels and pregnancy outcome in gilts. **2006**, 18, 857-66

15

198 Disseminated Mycobacterium avium complex infection in an immunocompetent pregnant woman. **2006**, 6, 154

13

197 The impact of dydrogesterone supplementation on serum cytokine profile in women with threatened abortion. **2006**, 55, 115-21

8

196 The progesterone-induced blocking factor modulates the balance of PKC and intracellular Ca. **2006**, 55, 122-9

10

195 Estrogens in pregnancy and systemic lupus erythematosus. **2006**, 1069, 247-56

46

194 Influence of menstrual cycle phase on pulmonary function in asthmatic athletes. **2006**, 96, 703-10

36

193 Progesterone-induced blocking factor activates STAT6 via binding to a novel IL-4 receptor. **2006**, 176, 819-26

65

192 Reduced nitric oxide synthase and cyclo-oxygenase activity in the uterus of non-obese diabetic mice. **2006**, 132, 931-8

10

191 Cancer and pregnancy share similar mechanisms of immunological escape. **2006**, 52, 107-10

39

190 Cellular recruitment and cytokine generation in a rat model of allergic lung inflammation are differentially modulated by progesterone and estradiol. **2007**, 293, C1120-8

53

189 Immunoendocrine aspects of endometrial function and implantation. **2007**, 134, 389-404

61

188 Increased Th1/Th2 (IFN-gamma/IL-4) Cytokine mRNA ratio of rat embryos in the pregnant mouse uterus. **2007**, 53, 219-28

14

187 Effects of progesterone in the spinal cord of a mouse model of multiple sclerosis. **2007**, 107, 228-37

112

186 Malaria parasitemia and systemic cytokine bias in pregnancy. **2007**, 97, 15-20

12

185 Subchorionic hemorrhage treatment with dydrogesterone. **2007**, 23 Suppl 1, 77-81
