

# CITATION REPORT

List of articles citing

beta-Sitosterol and beta-sitosterol glucoside stimulate human peripheral blood lymphocyte proliferation: implications for their use as an immunomodulatory vitamin combination

DOI: 10.1016/s0192-0561(97)85551-8

International Journal of Immunopharmacology, 1996, 18, 693-700.

**Source:** <https://exaly.com/paper-pdf/27424961/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
