

Enumeration of human colonic bacteria producing phenol
effects of pH, carbohydrate availability and retention time on
acid metabolism

Journal of Applied Bacteriology

81, 288-302

DOI: [10.1111/j.1365-2672.1996.tb04331.x](https://doi.org/10.1111/j.1365-2672.1996.tb04331.x)
