

# CITATION REPORT

List of articles citing

## Influences of Cardiorespiratory Fitness and Other Precursors on Cardiovascular Disease and All-Cause Mortality in Men and Women

DOI: 10.1001/jama.1996.03540030039029  
JAMA - Journal of the American Medical Association,  
1996, 276, 205.

**Version:** 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
