List of articles citing

## Estrogen receptors: bioactivities and interactions with cell signaling pathways

DOI: 10.1095/biolreprod54.2.287

Biology of Reproduction, 1996, 54, 287-93.

**Source:** <https://exaly.com/paper-pdf/27628433/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
