

CITATION REPORT

List of articles citing

A model conforming the decline in follicle numbers to the age of menopause in women

DOI: 10.1093/oxfordjournals.humrep.a019422
Human Reproduction, 1996, 11, 1484-6.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
