

CITATION REPORT

List of articles citing

In-vitro maturation, fertilization and embryo development of immature oocytes from early preantral follicles from prepuberal mice in a simplified culture system

DOI: 10.1093/oxfordjournals.humrep.a019188
Human Reproduction, 1996, 11, 2656-66.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
