

# CITATION REPORT

List of articles citing

Hemodynamic changes during laparoscopic cholecystectomy in patients with severe cardiac disease

DOI: 10.1016/s0952-8180(97)00001-9  
Journal of Clinical Anesthesia, 1997, 9, 261-5.

**Source:** <https://exaly.com/paper-pdf/28298202/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
