

A local electrostatic change is the cause of the large-scale bacteriorhodopsin

Proceedings of the National Academy of Sciences of the United States of America
94, 5040-5044

DOI: [10.1073/pnas.94.10.5040](https://doi.org/10.1073/pnas.94.10.5040)
