

# CITATION REPORT

List of articles citing

Echinacea-induced cytokine production by human macrophages

DOI: 10.1016/s0192-0561(97)00061-1  
International Journal of Immunopharmacology, 1997,  
19, 371-9.

**Source:** <https://exaly.com/paper-pdf/28733019/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
153	Increased production of antigen-specific immunoglobulins G and M following in vivo treatment with the medicinal plants <i>Echinacea angustifolia</i> and <i>Hydrastis canadensis</i> . <b>1999</b> , 68, 391-5		91
