CITATION REPORT List of articles citing

Bcl-2 protein expression: association with p53 and prognosis in colorectal cancer

DOI: 10.1038/bjc.1998.310 British Journal of Cancer, 1998, 77, 1864-9.

Source: https://exaly.com/paper-pdf/28917108/citation-report.pdf

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
