

CITATION REPORT

List of articles citing

Torsades de Pointes associated with intravenous haloperidol in critically ill patients

DOI: 10.1016/s0002-9149(97)00888-6
American Journal of Cardiology, 1998, 81, 238-40.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
