

Extremes of the ENSO phenomenon and Indian summer

International Journal of Climatology

18, 775-791

DOI: [10.1002/\(sici\)1097-0088\(19980615\)18:7<775::aid-joc254>3.0.co;2-d](https://doi.org/10.1002/(sici)1097-0088(19980615)18:7<775::aid-joc254>3.0.co;2-d)

Citation Report

#	ARTICLE	IF	CITATIONS
1	Some characteristics and precipitation effects of the El Niño of 1997â€“1998. Journal of Atmospheric and Solar-Terrestrial Physics, 1999, 61, 1325-1346.	1.6	27
2	El Niño timings and rainfall extremes in India, Southeast Asia and China. International Journal of Climatology, 1999, 19, 653-672.	3.5	33
3	ENSO relationship with Indian rainfall in different months. International Journal of Climatology, 2000, 20, 783-792.	3.5	10
4	An Assessment of Flood Forecasting in Bangladesh: The Experience of the 1998 Flood. Natural Hazards, 2000, 22, 139-163.	3.4	80
