

# CITATION REPORT

List of articles citing

Oxytocin, prolactin, milk production and their relationship with personality traits in women after vaginal delivery or Cesarean section

DOI: 10.3109/01674829809044221

Journal of Psychosomatic Obstetrics and Gynaecology,  
1998, 19, 49-58.

**Source:** <https://exaly.com/paper-pdf/29301331/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
