

# CITATION REPORT

List of articles citing

Understanding the role of the essential Asp251 in cytochrome p450cam using site-directed mutagenesis, crystallography, and kinetic solvent isotope effect

DOI: 10.1021/bi980189f  
Biochemistry, 1998, 37, 9211-9.

**Source:** <https://exaly.com/paper-pdf/29363688/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
