

The effectiveness of intraocular pressure reduction in the glaucoma

American Journal of Ophthalmology

126, 498-505

DOI: [10.1016/s0002-9394\(98\)00272-4](https://doi.org/10.1016/s0002-9394(98)00272-4)
