

Neural basis of an inherited speech and language disorder

Proceedings of the National Academy of Sciences of the United States of America  
95, 12695-12700

DOI: [10.1073/pnas.95.21.12695](https://doi.org/10.1073/pnas.95.21.12695)
