List of articles citing

## Obesity and reproductive disorders: a review

DOI: 10.1071/r98010

Reproduction, Fertility and Development, 1998, 10, 55-63.

**Source:** <https://exaly.com/paper-pdf/29796146/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
192	Extremes of body mass do not adversely affect the outcome of superovulation and in-vitro fertilization. <i>Human Reproduction</i> , <b>1999</b> , 14, 712-5	5.7	151
191	Restoration of reproductive potential by lifestyle modification in obese polycystic ovary syndrome: role of insulin sensitivity and luteinizing hormone. <b>1999</b> , 84, 1470-4		319
190	Does maternal obesity adversely affect breastfeeding initiation and duration?. <b>2000</b> , 36, 482-6		78
189	Leptin: a possible link between food intake, energy expenditure, and reproductive function. <b>2000</b> , 92, 51-6		69
188	Evaluation of the obese patient. Practical considerations. <b>2000</b> , 84, 387-99, vi		17
187	Body mass index is inversely related to intrafollicular HCG concentrations, embryo quality and IVF outcome. <b>2001</b> , 3, 109-111		99
186	Las rutas de se�ales de la insulina: mecanismos de integraci�n de la homeostasis energ�tica y la reproducci�n. <b>2001</b> , 48, 295-302		
185	Polycystic ovarian syndrome and the risk of spontaneous abortion following assisted reproductive technology treatment. <i>Human Reproduction</i> , <b>2001</b> , 16, 2606-9	5.7	152
184	Fetal programming of polycystic ovary syndrome. <b>2001</b> , 262-287		4
183	Long-term health consequences of polycystic ovary syndrome. <b>2001</b> , 81-101		1
182	Priorities in polycystic ovary syndrome. <b>2001</b> , 174, 554-5		9
181	Obesity, polycystic ovary syndrome and anovulation--how are they interrelated?. <b>2001</b> , 13, 323-7		13
180	The role of obesity and diet in urological carcinogenesis. <b>1999</b> , 84, 225-34		15
179	The in vitro role of tumour necrosis factor-alpha and interleukin-6 in the hypothalamic-pituitary gonadal axis. <i>Journal of Neuroendocrinology</i> , <b>2001</b> , 13, 296-301	3.8	52
178	Leptin and puberty: a review. <b>2001</b> , 4, 79-86		26
177	Effects of estrogen on serum leptin levels and leptin mRNA expression in adipose tissue in rats. <b>2001</b> , 56, 98-104		38
176	Relative risk of conversion from normoglycaemia to impaired glucose tolerance or non-insulin dependent diabetes mellitus in polycystic ovarian syndrome. <i>Human Reproduction</i> , <b>2001</b> , 16, 1995-8	5.7	260

175	Haptoglobin is present in human endometrium and shows elevated levels in the decidua during pregnancy. <b>2001</b> , 7, 747-54		42
174	Feasibility issues in reproductive biomonitoring of female flight attendants and teachers. <b>2002</b> , 44, 947-55		14
173	The forgotten female: Pediatric and adolescent gynecological concerns and their reproductive consequences. <i>Journal of Pediatric and Adolescent Gynecology</i> , <b>2002</b> , 15, 65-77	2	15
172	The role of lifestyle modification in polycystic ovary syndrome. <b>2002</b> , 13, 251-7		217
171	Position of the American Dietetic Association: nutrition and lifestyle for a healthy pregnancy outcome. <b>2002</b> , 102, 1479-90		104
170	Nutrition before birth, programming and the perpetuation of social inequalities in health. <b>2002</b> , 11 Suppl 3, S529-36		9
169	Effects of high molecular weight water-soluble chitosan on in vitro fertilization and ovulation in mice fed a high-fat diet. <b>2002</b> , 25, 178-83		9
168	Obesity increases the risk of spontaneous abortion during infertility treatment. <b>2002</b> , 10, 551-4		193
167	Subfertility and prepregnancy overweight/obesity: possible interaction between these risk factors in the etiology of congenital renal anomalies. <b>2003</b> , 67, 572-7		27
166	Body size from birth to adulthood as a predictor of self-reported polycystic ovary syndrome symptoms. <b>2003</b> , 27, 710-5		116
165	Obesity and the risk of spontaneous abortion after oocyte donation. <i>Fertility and Sterility</i> , <b>2003</b> , 79, 1136-40		196
164	Body mass index and uterine receptivity in the oocyte donation model. <i>Fertility and Sterility</i> , <b>2003</b> , 80, 336-40	4.8	79
163	Reproductive outcome of polycystic ovarian syndrome patients treated with GnRH antagonists and recombinant FSH for IVF/ICSI. <b>2003</b> , 7, 313-8		22
162	Descriptive review of the evidence for the use of metformin in polycystic ovary syndrome. <b>2003</b> , 361, 1894-901		181
