

CITATION REPORT

List of articles citing

Heavy-load eccentric calf muscle training for the treatment of chronic Achilles tendinosis

DOI: 10.1177/03635465980260030301

American Journal of Sports Medicine, 1998, 26, 360-6.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
