

# CITATION REPORT

List of articles citing

Getting lost in dementia: a longitudinal study of a behavioral symptom

DOI: 10.1017/s1041610298005365

International Psychogeriatrics, 1998, 10, 253-60.

**Source:** <https://exaly.com/paper-pdf/29839243/citation-report.pdf>

**Version:** 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
