

CITATION REPORT

List of articles citing

A functional outcome swallowing scale for staging oropharyngeal dysphagia

DOI: 10.1159/000016941

Digestive Diseases, 1999, 17, 230-4.

Source: <https://exaly.com/paper-pdf/30131240/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
