

# CITATION REPORT

List of articles citing

Ethanol inhibits L1-mediated neurite outgrowth in postnatal rat cerebellar granule cells

DOI: 10.1074/jbc.274.19.13264

Journal of Biological Chemistry, 1999, 274, 13264-70.

**Source:** <https://exaly.com/paper-pdf/30168319/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
