

CITATION REPORT

List of articles citing

**Risk factors for sleep-disordered breathing in children.
Associations with obesity, race, and respiratory problems**

DOI: 10.1164/ajrccm.159.5.9809079

**American Journal of Respiratory and Critical Care
Medicine, 1999, 159, 1527-32.**

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
