

CITATION REPORT

List of articles citing

The pediatric disposable end-tidal carbon dioxide detector role in endotracheal intubation in newborns

DOI: 10.1038/sj.jp.7200136

Journal of Perinatology, 1999, 19, 110-3.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
