

CITATION REPORT

List of articles citing

Application of the Person-Environment-Occupation Model: a practical tool

DOI: 10.1177/000841749906600304

Canadian Journal of Occupational Therapy, 1999, 66, 122-33.

Source: <https://exaly.com/paper-pdf/30707783/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
