

CITATION REPORT

List of articles citing

Timing of referral for lung transplantation for cystic fibrosis: overemphasis on FEV1 may adversely affect overall survival

DOI: 10.1378/chest.115.3.782
Chest, 1999, 115, 782-7.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
