

CITATION REPORT

List of articles citing

Sildenafil in the treatment of sexual dysfunction in spinal cord-injured male patients

DOI: 10.1159/000020278

European Urology, 2000, 38, 184-93.

Source: <https://exaly.com/paper-pdf/31144753/citation-report.pdf>

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
