

# CITATION REPORT

List of articles citing

Validity of the Dexter Evaluation System® Jamar dynamometer attachment for assessment of hand grip strength in a normal population

DOI: 10.1016/s0894-1130(00)80052-6  
Journal of Hand Therapy, 2000, 13, 46-51.

**Source:** <https://exaly.com/paper-pdf/31491463/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
