

CITATION REPORT

List of articles citing

Usefulness of the modified 0-10 Borg scale in assessing the degree of dyspnea in patients with COPD and asthma

DOI: 10.1016/s0099-1767(00)90093-x
Journal of Emergency Nursing, 2000, 26, 216-22.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
