

# CITATION REPORT

List of articles citing

Differential control of systolic and diastolic blood pressure : factors associated with lack of blood pressure control in the community

DOI: 10.1161/01.hyp.36.4.594  
Hypertension, 2000, 36, 594-9.

**Source:** <https://exaly.com/paper-pdf/31946119/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
