List of articles citing

## Antioxidant Activity of Anthocyanin Extract from Purple Black Rice

DOI: 10.1089/10966200152744481

Journal of Medicinal Food, 2001, 4, 211-218.

**Source:** <https://exaly.com/paper-pdf/32294385/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
