

CITATION REPORT

List of articles citing

Sildenafil citrate for penile hemodynamic determination: an alternative to intracavernosal agents in Doppler ultrasound evaluation of erectile dysfunction

DOI: 10.1016/s0090-4295(01)00923-2
Urology, 2001, 57, 623-6; discussion 626-7.

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
