

# CITATION REPORT

List of articles citing

**A review of studies on the effect of iron deficiency on cognitive development in children**

**DOI: 10.1093/jn/131.2.649s**

**Journal of Nutrition, 2001, 131, 649S-666S; discussion 666S-66**

**Source:** <https://exaly.com/paper-pdf/32848995/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
