

CITATION REPORT

List of articles citing

The mast cell in wound healing

DOI: 10.1046/j.0959-4493.2001.00272.x

Veterinary Dermatology, 2001, 12, 303-13.

Source: <https://exaly.com/paper-pdf/33030224/citation-report.pdf>

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
170	Non-specific labelling of mast cells in feline oral mucosa--a potential problem in immunohistochemical studies. 2002 , 127, 228-31		8
