

# CITATION REPORT

List of articles citing

Specialization and complementarity in microbial molecule recognition by human myeloid and plasmacytoid dendritic cells

DOI: 10.1002/1521-4141(200111)31:113.O.co;2-q  
European Journal of Immunology, 2001, 31, 3388-93.

**Source:** <https://exaly.com/paper-pdf/33088806/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
